

Dear Members,

As you may already know, the Moreno Valley Master Chorale is participating in Provident Bank's Community Partnership Program. Your organization has decided to participate in this program because at the end of the year, they may qualify for a donation from Provident Bank.

How can you play a role in all of this? When you open and link an account to the Moreno Valley Master Chorale at Provident Bank, the bank will take the aggregate total of all deposits and will calculate an annual donation amount. The annual donations can increase each year as we continue to get the word out about this program. The higher the balance that is kept at Provident Bank, the greater the donation amount this organization will receive. Keep in mind, your account information will be confidential and the donation is coming from Provident Bank, **NOT** from your account.

Ready to get started and help Moreno Valley Master Chorale? Open and link your new and/or existing accounts with Provident Bank by simply calling me at (951) 242-3149. I invite you to visit me at our Moreno Valley Branch to establish your new account(s) with us.

Changing banks is easier than you think. I will use my many years of banking experience to assist you with all your banking needs and make the transition as smooth as possible.

I look forward to seeing you soon.

Sincerely,

Holly Wood  
Branch Vice President
